

These are the songs we have sheet music for and currently perform.
If you have a specific song in mind which is not on the list and we know it, we can perform it.
If we have to arrange a song for full band and with horns we charge £40 per arrangement.

The 5/6 piece band are more flexible and do not require sheet music, meaning it is easier for them to perform songs of choice. This size band can also take some requests on the night of the event.

The band perform from a standard set list which gradually changes over time and is based on the crowd reactions. If it doesn't keep the dance floor full it doesn't stay in the set for long! It is not feasible to customise 100% of a set list, however we will do our best to include the songs you request.
